Heidelberg Family,

Hooray! Mask Mandates are being lifted in Ohio (Today June 2<sup>nd</sup>) & Kentucky (June 11<sup>th</sup>) and around our Nation!

Governor Mike DeWine reminded Ohioans of the importance of getting vaccinated against COVID-19 and for those that are not fully-vaccinated to wear masks indoors, as statewide mask mandates are lifted.

*"Ohioans have done a great job during the pandemic. And, with more than 5 million Ohioans who have received at least the first dose of the COVID-19 vaccine, we are getting back to living the lives we want. However, it is important that we all still remember that there are a significant number of Ohioans who remain unvaccinated and are at-risk, including everyone under the age of 12. It's important that those not fully vaccinated continue to wear masks indoors and follow other preventative measures to keep themselves as healthy as possible."* - Governor Mike DeWine

More than 5.3 million Ohioans have received their first vaccinations and 4.6 million have completed the vaccination series.

An individual is considered fully vaccinated two weeks after their second dose of Pfizer or Moderna COVID-19 vaccines or two weeks after the single dose of the Johnson & Johnson vaccine.

**The Company will continue to monitor vaccination rates in Ohio & Kentucky and we will make decisions regarding returning to work (RTW) and mask requirement policies as vaccination rates improve! Thanks for your Patience & Support of our Values!**

Another month begins! Congrats and Thank you all on another stable Month! This Team continues to deliver valuable support to each other, to our customers and to our communities!
